KEY BENEFITS OF INVESTING IN RETAIL BONDS	KEY RISKS OF INVESTING IN RETAIL BONDS
<ul style="list-style-type: none"> • <u>Strong credit</u>: HKSAR Government has a strong, “investment grade”, credit rating. 	<ul style="list-style-type: none"> • <u>Interest rate risk</u>: The retail bonds carry a floating rate of interest that is calculated other than by reference to prevailing Hong Kong dollar interest rates. The market value of your retail bonds may decrease if the prevailing Hong Kong dollar interest rates increase during the term of the retail bonds.
<ul style="list-style-type: none"> • <u>Regular returns</u>: The retail bonds offer half-yearly interest payments that are linked to inflation, subject to a pre-specified minimum rate, for the entire term of your investment. 	<ul style="list-style-type: none"> • <u>Index risk</u>: The retail bonds carry a rate of interest that includes a component linked to the Composite Consumer Price Index. The market value of your retail bonds may be affected by movements in the index.
<ul style="list-style-type: none"> • <u>Interest rate</u>: The retail bonds may offer higher interest rates than Hong Kong dollar time deposits of similar maturities. 	<ul style="list-style-type: none"> • <u>Liquidity risk</u>: There may not be an active secondary market for your retail bonds and it may not be possible to sell your retail bonds prior to maturity or the sale price may be lower than the amount you have invested.
	<ul style="list-style-type: none"> • <u>Credit risk</u>: The retail bonds are not secured. When you buy retail bonds you will be relying on the creditworthiness of HKSAR Government. Adverse changes in the wider economic conditions in Hong Kong and the world and/or the creditworthiness of HKSAR Government may reduce the market value of your retail bonds and may affect HKSAR Government’s ability to make payments of principal of and interest on your retail bonds. In the worst case scenario, you could lose all of your investment.
	<ul style="list-style-type: none"> • <u>Intermediary risk</u>: You can only hold retail bonds indirectly through certain institutions, whom you will have to rely on to perform a number of functions, including passing on payments of principal of and interest on retail bonds to you and proving your interest in your retail bonds.

The Government of the Hong Kong Special Administrative Region of the People's Republic of China (**HKSAR Government**) has set up its retail bond issuance programme (the **retail bond programme**) to issue retail bonds to the public in Hong Kong in order to promote investor awareness of the bond market in Hong Kong.

If the due date for any such action ceases to be a business day in Hong Kong, for example, if there is a “black” rainstorm warning or a tropical cyclone warning signal number 8 or above in force in Hong Kong, then HKSAR Government will perform the action on the next day which is a business day in Hong Kong not affected by the cessation. IMPORTANT INVESTMENT CONSIDERATIONS

An investment in retail bonds is not equivalent to a time deposit and involves investment risks.

Your investment in retail bonds is subject to interest rate risk. The market value of your retail bonds may decrease if the prevailing Hong Kong dollar interest rates increase during the term of the retail bonds.

Your investment in retail bonds is also subject to index risk. The retail bonds have an interest rate that includes a component linked to the Composite Consumer Price Index. The market value of your retail bonds may be affected by movements in that index.

Your investment in retail bonds may also be subject to liquidity risk. While HKSAR Government has appointed some of the placing banks as market makers to quote prices for the retail bonds on a best-efforts basis, there may not be an active secondary market. If you try to sell your retail bonds before maturity, you may not be able to find a buyer for your retail bonds or the market value of your retail bonds could be lower than the amount you invested. Although retail bonds are listed and can be traded on the Hong Kong Stock Exchange, you should be aware that this does not guarantee an active secondary trading market for the retail bonds or that you will have access to a firm bid or offer price for your retail bonds. Neither does it guarantee the ready availability of pricing information in relation to your retail bonds. If this information is not available, your ability to make an informed decision about whether to sell your retail bonds may be affected.

Like investment in any other fixed income instruments, your investment in retail bonds is also subject to credit risk of default on any repayment of principal or any payment of interest. This credit risk can be assessed by referring to the credit rating of the issuer of the instruments or the instruments themselves if available but you should not rely solely on such ratings. The retail bonds do not have a specific credit rating, however Fitch Ratings Ltd. (Fitch), Moody's Investor's Service (Moody's) and Standard & Poor's, a division of the McGraw-Hill Companies, Inc. (S&P) each assigns the following local currency credit ratings to HKSAR Government:

	Long-term	Short-term	Outlook
Fitch:	AA+	N/A	Stable
Moody's:	Aa1	N/A	Positive
S&P:	AAA	A-1+	Stable

The retail bonds are not secured. When you buy retail bonds, you will be relying on the creditworthiness of HKSAR Government. Changes in the creditworthiness of HKSAR Government and in market conditions such as the economic and political environment in Hong Kong and other parts of the world may influence the prices of your retail bonds and may affect HKSAR Government's ability to make payments of principal of and interest on your retail bonds. In the worst case scenario, you could lose all of your investment.

Prices of retail bonds are also influenced by a combination of factors such as time to maturity, overall market conditions and supply and demand of similar instruments. In general, risk increases with the length of maturity of bonds as the prices of longer-term retail bonds tend to be more sensitive to interest-rate movements than those of shorter-term retail bonds.

Your retail bonds may not have the same terms and conditions as other bonds or notes issued by HKSAR Government or other issuers. In particular, the retail bonds do not restrict HKSAR Government's power to grant security for any of its indebtedness and do not include any rights of holders of retail bonds to require payments of principal on any date earlier than the maturity

date, even in circumstances where HKSAR Government is in breach of its obligations under the retail bonds. Your attention is drawn to the terms of the retail bonds on pages 12 to 14 of the programme circular. These terms are varied and/or supplemented for the retail bonds by this issue circular.

Retail bonds are issued in the form of computerised book entries in securities accounts maintained with the Monetary Authority by recognized dealers. They do not exist in physical form and HKSAR Government will not issue certificates for any retail bonds. Title to retail bonds is held by the recognized dealers. You cannot hold retail bonds directly, but must instead hold an interest in retail bonds indirectly through a recognized dealer or through a securities broker holding an interest in retail bonds through a recognized dealer on your behalf. You will have to depend on your recognized dealer (and if applicable your securities broker) to make and receive payments on your retail bonds, give and receive notices in relation to them, prove your interest in retail bonds and make claims for any sums which are due under the retail bonds which have not been paid. HKSAR Government does not endorse or guarantee the solvency of any recognized dealer or securities broker.

FREQUENTLY ASKED QUESTIONS

A. GENERAL INFORMATION

WHAT IS THE iBOND SERIES OF RETAIL BONDS?

This series of retail bonds - the iBond series - is a series of retail bonds that has its half-yearly interest payments linked to the average year-on-year inflation measured by the Composite Consumer Price Index, subject to a minimum interest rate. Principal will be repaid in full, without adjustments based on inflation, at maturity.

The interest payment mechanism is further described in the paragraph entitled “What will be my investment return from retail bonds?” below.

WHAT ARE THE RATINGS OF RETAIL BONDS?

This series of retail bonds has not been given a credit rating specific to it. However, as of the date of this issue circular, Fitch, Moody’s and S&P each assigns the following local currency credit ratings to HKSAR Government:

	Long-term	Short-term	Outlook
Fitch:	AA+	N/A	Stable
Moody’s:	Aa1	N/A	Positive
S&P:	AAA	A-1+	Stable

Like investment in any other fixed income instruments, your investment in retail bonds is also subject to credit risk of default on any repayment of principal or any payment of interest. This credit risk can be assessed by referring to the credit rating of the issuer of the instruments or the instruments themselves if available but you should not rely solely on such credit ratings.

B. INVESTMENT RETURN

WHAT ARE THE KEY BENEFITS OF INVESTING IN RETAIL BONDS?

This series of retail bonds:

- is issued by HKSAR Government, which has a strong, “investment grade”, credit rating;

- may offer higher interest rates than Hong Kong dollar time deposits of similar maturities; and

- offers half-yearly interest payments that are linked to inflation, subject to a pre-specified minimum interest rate, for the entire term of your investment.

WHAT WILL BE MY INVESTMENT RETURN FROM RETAIL BONDS?

HKSAR Government will repay 100% of the principal amount of the retail bonds at maturity.

In addition, HKSAR Government will pay interest on the scheduled interest payment dates at the end of every 6 months. The annual interest rate to be used for each interest payment date will be determined on the relevant interest determination date as the higher of:

- the floating rate, being the arithmetic average of the year-on-year rates of change in the 2009/10-based Composite Consumer Price Index for the 6 most recent preceding months, rounded to the nearest two decimal places; and
- the fixed rate of 1.00%.

The following example illustrates the interest rate of this series of retail bonds under different scenarios. The scenarios set out below are for illustrative purposes only and do not resemble the actual interest rates of this series of retail bonds.

Interest payment date	Floating Rate	Fixed Rate	Final annual interest rate
24 Dec 2012	4.21%	1.00%	4.21%
24 Jun 2013	3.62%		3.62%
23 Dec 2013	3.13%		3.13%
23 Jun 2014	2.54%		2.54%
22 Dec 2014	1.00%		1.00%
22 Jun 2015	-0.16%		1.00%

If the floating rate is greater than or equal to the fixed rate, the annual interest rate will be set as the floating rate. For example, for the interest payment date falling on 24 December 2012 in the above example, the annual interest rate would be set as 4.21%.

If the floating rate is less than the fixed rate, the annual interest rate will be set as the fixed rate. For example, the annual interest rate would be set as 1.00% at maturity (22 June 2015) in the above example.

Interest rates will be determined and announced on the relevant interest determination dates. The interest rates will be announced on the HKSAR government bond programme website at www.hkgb.gov.hk.

In calculating your return, you should also remember to take into account the fees you will incur in applying for the retail bonds and in setting up and maintaining a securities or investment account with a placing bank, your securities broker and/or HKSCC to hold the retail bonds and any other costs you may incur.

WHAT IS THE MINIMUM INTEREST RATE PAYABLE ON RETAIL BONDS?

This is 1.00% per annum.

CAN I RE-INVEST INTEREST RECEIVED INTO RETAIL BONDS?

The interest payments received cannot be re-invested into retail bonds.

C. CONSUMER PRICE INDEX

WHICH CONSUMER PRICE INDEX SERIES WILL BE USED IN DETERMINING THE ANNUAL INTEREST RATE ON THE RETAIL BONDS?

The 2009/10-based Composite Consumer Price Index will be used in determining the annual interest rate of this series of retail bonds every 6 months.

HOW IS INFLATION MEASURED UNDER THE CONSUMER PRICE INDEX AND WHAT IS THE COMPOSITE CONSUMER PRICE INDEX?

The Consumer Price Index (CPI) is compiled and published by the Census and Statistics Department of HKSAR Government (C&SD). It measures the changes during a specified period in the price level of consumer goods and services generally purchased by households. The year-on-year rate of change in the CPI is widely used as an indicator of the level of inflation

affecting consumers over the year in question. Different series of CPIs are compiled to reflect the impact of consumer price changes on households in different expenditure ranges. The CPI(A), CPI(B) and CPI(C) are compiled based on the expenditure patterns of households in the relatively low, medium and relatively high expenditure ranges respectively. The Composite Consumer Price Index is compiled based on the overall expenditure pattern of all the above households taken together to reflect the impact of consumer price changes on the household sector as a whole.

Different expenditure weightings are used to compile the different CPI series. These weightings are determined every 5 years based on the results of a new Household Expenditure Survey (HES). The period in which an HES is conducted forms the “base” of a CPI series. The most recent HES was conducted in 2009/10, based on which the CPI series are now being compiled and published as the 2009/10-based CPI series.

Further information on the different CPI series is available from the C&SD’s official website at www.censtatd.gov.hk.

D. APPLICATIONS

WHERE CAN I GET A COPY OF THE PROGRAMME CIRCULAR AND THIS ISSUE CIRCULAR?

You can get copies of the programme circular and this issue circular from the offices of the Monetary Authority at 55th Floor, Two International Finance Centre, 8 Finance Street, Central, Hong Kong and, during the subscription period for this series of retail bonds, from any of the application channels described in the paragraph entitled “How can I apply for this series of retail bonds?” below.

Further information about the retail bonds is available from HKSAR government bond programme website at www.hkgb.gov.hk.

AM I ELIGIBLE TO APPLY FOR THIS SERIES OF RETAIL BONDS?

You can only apply for retail bonds if you hold a valid Hong Kong identity card. An application using a joint account can only be made if either you or one of your joint account holders holds a

valid Hong Kong identity card. See further the paragraph entitled “What confirmations do I have to make?” below in relation to other restrictions and the paragraph entitled “Can I make multiple applications for retail bonds?” below for more information about making an application using a joint account.

HOW CAN I APPLY FOR THIS SERIES OF RETAIL BONDS?

The subscription period for this series of retail bonds is from 9:00 a.m. on Tuesday, 5 June 2012 to 2:00 p.m. on Wednesday, 13 June 2012.

You can apply for this series of retail bonds through any of the placing banks listed on page 19, through HKSCC directly or through a securities broker.

Applications for retail bonds must be submitted before 2:00 p.m. on the closing date of the applicable subscription period.

If you are applying through a securities broker, your securities broker may stipulate its own deadline for the submission of application instructions to it. Please consult your securities broker if in doubt.

You may only subscribe retail bonds in a principal amount which is an integral multiple of HK\$10,000. Applications for a principal amount which is less than HK\$10,000 or for a principal amount of retail bonds which is not an integral multiple of HK\$10,000 are liable to be rejected.

HKSAR Government reserves the right to set a maximum principal application amount per investor for a series of retail bonds at any time on or before the issue date without prior notice, where it considers it necessary to prevent an over-concentration of holdings in retail bonds by a single investor.

If HKSAR Government sets a maximum principal application amount per investor for this series of retail bonds, then any application for a principal amount of this series of retail bonds which is greater than that maximum principal application amount will be treated as an application for the maximum principal application amount and any application moneys paid in excess of the application moneys for that maximum principal application amount (and, for applications made through a placing bank, any handling fee or, for

applications made directly through HKSCC, any brokerage fee) will be refunded without interest. For applications made through a securities broker, applicants should consult their securities broker for the details of whether or not, and if so how, it will refund to them any application moneys and/or brokerage or other fee. See further the paragraph entitled “What happens if I am owed a refund for any application moneys and/or handling fee or brokerage fee?” below in relation to refund arrangements.

HKSAR Government reserves the right to cancel all or a portion of the offering of this series of retail bonds at any time on or before their issue date.

DO I NEED AN APPLICATION FORM?

No, we will not issue an application form for the retail bonds. However, in order to standardise and streamline the application process, HKSAR Government has prepared a standard application template for use by the placing banks and securities brokers in executing your instructions. You will be required to make a series of confirmations and acknowledgements.

WHAT CONFIRMATIONS DO I HAVE TO MAKE?

When you apply for this series of retail bonds, you are deemed to confirm for the benefit of HKSAR Government and your placing bank (if you apply through a placing bank), HKSCC (if you apply through HKSCC directly), or HKSCC and your securities broker (if you apply through a securities broker) that:

- (1) you agree to accept the retail bonds applied for, or any lesser amount allocated to you;
- (2) you understand that no certificates of title will be available for your retail bonds or any other retail bonds, that the retail bonds are in book-entry form only, that legal title to the retail bonds is held at all times and under all circumstances by the recognized dealer to whose CMU account the retail bonds are credited and that you acquire no direct rights against HKSAR Government in respect of your retail bonds;
- (3) you agree that if you are not allocated any retail bonds or if the retail bonds you have applied for are not issued to you in full for

any reason, the whole or an appropriate portion of the application moneys will be refunded to you without interest and at your own risk and that all interest which may have accrued between the date of your application and the date of such refund will be retained for the benefit of the holder(s) of the account(s) to which such amounts have been credited (being such of HKSAR Government and/or your placing bank, HKSCC and/or your securities broker as may be applicable). If you apply through a securities broker, you should consult your securities broker for the details of whether or not, and if so how, it will refund to you any application moneys and/or brokerage or other fee. Please see further the paragraph entitled “What happens if I am owed a refund for any application moneys and/or handling fee or brokerage fee?” below;

- (4) you understand that the retail bonds will be held through the Central Moneymarkets Unit (CMU), a debt securities custodian, clearing and settlement system operated by the Monetary Authority, which means that:
- (a) if you hold your retail bonds through a recognized dealer (whether a placing bank, HKSCC or an additional recognized dealer), you will have to rely on your recognized dealer:
- (i) to credit the account you hold with your recognized dealer with interest and principal payments credited to its settlement account;
- (ii) to distribute notices to you which your recognized dealer receives from HKSAR Government; and
- (iii) to prove your holding in your retail bonds; and
- (b) if you hold your retail bonds through a securities broker:
- (i) you will have to rely on HKSCC to credit the designated bank account of your securities broker with interest and principal payments credited to HKSCC’s settlement account, and you will also have to rely on HKSCC to distribute to your securities

broker notices which HKSCC receives from HKSAR Government and to prove your securities broker’s holding in retail bonds; and

- (ii) you will have to rely on your securities broker to credit the account you hold with it with interest and principal payments credited by HKSCC to its designated bank account, and you will also have to rely on your securities broker to distribute notices to you which it receives from the HKSCC and to prove your holding in your retail bonds.

In this paragraph (4), “**settlement account**” means, in relation to a recognized dealer which is a licensed bank, the account maintained by that recognized dealer with the Monetary Authority through which its own clearing balance is settled or, in relation to a recognized dealer which is not a licensed bank, the account maintained by its designated correspondent bank with the Monetary Authority for the purpose of settling, inter alia, interbank payments;

- (5) you have obtained a copy of this issue circular and a copy of the programme circular, have read and understood this issue circular and the programme circular and have relied on no other information or material in applying for the retail bonds;
- (6) you understand and agree that HKSAR Government accepts no responsibility for the provision of brokerage, custody, banking (including internet and telephone banking) or any other services by any recognized dealer (whether a placing bank, HKSCC or an additional recognized dealer) or securities broker or for any consequences of, or any losses arising from the use of, any bank account, securities or investment account, custody account or brokerage, custody, banking or any other services of any recognized dealer (whether a placing bank, HKSCC or an additional recognized dealer) or securities broker;

- (7) you have not made more than one application for this series of retail bonds in accordance with the paragraph entitled “Can I make multiple applications for retail bonds?” below;
- (8) you hold a valid Hong Kong identity card or, if you are making an application using a joint account, either you or one of your joint account holders holds a valid Hong Kong identity card;
- (9) you are not located within the United States or Canada and are not a U.S. Person within the meaning of Regulation S under the U.S. Securities Act of 1933, as amended (which includes any person resident in the United States and any partnership or corporation organised or incorporated under the laws of the United States) or a resident of Canada; and you are not acting as an agent of a U.S. Person or a resident of Canada; and
- (10) you agree to the personal information collection statement at the end of this issue circular.

By applying for retail bonds, you make these confirmations to HKSAR Government and your placing bank (if you are applying through a placing bank), HKSCC (if you are applying through HKSCC directly) or HKSCC and your securities broker (if you are applying through a securities broker). You understand that HKSAR Government would not otherwise issue you the retail bonds for which you are applying. Your placing bank, your securities broker and/or HKSCC may well require you to make these and other confirmations at the time you make your application.

WHAT ARE THE ARRANGEMENTS WITH THE PLACING BANKS, HKSCC AND THE SECURITIES BROKERS FOR SELLING THE RETAIL BONDS? IS THE OFFER UNDERWRITTEN?

HKSAR Government has appointed the placing banks listed in this issue circular to distribute this series of retail bonds. Each placing bank will receive a placing fee from HKSAR Government of 0.15% of the principal amount of retail bonds issued to such placing bank to be paid within 30 days of the issue date. They may also receive a handling fee from successful applicants in respect of retail bonds allocated to them. If you are not

allocated the full amount of retail bonds you have applied for, or are allocated no retail bonds at all, any handling fee you have paid for the retail bonds which you are not allocated will be refunded in full without interest. Please see further the paragraph entitled “What happens if I am owed a refund for any application moneys and/or handling fee or brokerage fee?” below for more information about refund arrangements.

HKSCC, for itself and on behalf of the securities brokers, will receive from HKSAR Government a placing fee of 0.15% of the principal amount of retail bonds issued to HKSCC. Each of HKSCC and the securities brokers may also receive a brokerage fee charged directly to successful applicants for retail bonds. If you are not allocated the full amount of retail bonds you have applied for, or are allocated no retail bonds at all, any brokerage fee you have paid to HKSCC for the retail bonds which you are not allocated will be refunded in full without interest. If you apply through a securities broker, you should consult your securities broker for the details of whether or not, and if so how, it will refund to you any brokerage fee you have paid to it. Please see further the paragraph entitled “What happens if I am owed a refund for any application moneys and/or handling fee or brokerage fee?” below for more information about refund arrangements.

There are no soft commission or rebate arrangements between HKSAR Government and any of the placing banks, HKSCC or any of the securities brokers.

The offering of the retail bonds is not underwritten.

CAN I MAKE MULTIPLE APPLICATIONS FOR RETAIL BONDS?

You may not make more than one application for this series of retail bonds. For this purpose, each application for this series of retail bonds will be identified by a Hong Kong identity card number and will be treated as an application by the person with that Hong Kong identity card number, irrespective of whether the application is made using an account in the sole name of that person or by that person using a joint account with one or more other persons.

Any applications identified by the same Hong Kong identity card number will be treated as multiple applications, which will be rejected.

- If your application is made using an account in your sole name, the application will be identified by your Hong Kong identity card number.
- If your application is made using a joint account in the joint name of you and one or more joint account holders, the application will be identified either by your Hong Kong identity card number or by that of one of your joint account holders. Please confirm with the placing bank, HKSCC and/or the securities broker (as may be applicable) through which your application is made which joint account holder's Hong Kong identity card number will be used for this purpose.

E. ALLOCATION

WHAT HAPPENS IF THIS SERIES OF RETAIL BONDS IS OVER-SUBSCRIBED?

HKSAR Government has specified the following maximum issue amount for this series:

- HK\$10,000,000,000

HKSAR Government may determine or adjust the final issue amount in light of investor demand so long as the final issue amount does not exceed the maximum issue amount set out above. The maximum issue amount will not be adjusted.

If this series of retail bonds is over-subscribed (that is, if the total principal amount of valid applications for retail bonds of this series exceeds the final issue amount for this series), the allocation of retail bonds of this series will depend on the number of valid applications received in respect of this series.

- If the number of valid applications received is equal to or smaller than the number of retail bonds to be issued for this series (i.e. the quotient arrived at by dividing the final issue amount by HK\$10,000), HKSAR Government intends first to satisfy investors applying for a smaller number of retail bonds as much as possible and then to distribute any remaining retail bonds by ballot, at HKSAR Government's sole discretion.
- If the retail bonds are so over-subscribed that HKSAR Government cannot even allocate one HK\$10,000 retail bond to each applicant who has made a valid application,

HKSAR Government will allocate the retail bonds by ballot. Those valid applications which are successful in the ballot will each be allocated a retail bond in a principal amount of HK\$10,000.

If you are not allocated the full amount of retail bonds you have applied for, or are allocated no retail bonds at all, the application moneys (and, if you apply through a placing bank, any handling fee or, if you apply directly through HKSCC, any brokerage fee) you have paid for the retail bonds which you are not allocated will be refunded in full without interest. If you apply through a securities broker, you should consult your securities broker for the details of whether or not, and if so how, it will refund to you any application moneys and/or brokerage or other fee. See further the paragraph entitled "What happens if I am owed a refund for any application moneys and/or handling fee or brokerage fee?" below.

WHAT HAPPENS IF I AM OWED A REFUND FOR ANY APPLICATION MONEYS AND/OR HANDLING FEE OR BROKERAGE FEE?

Some or all of the application moneys and handling fee or brokerage fee, if any, you have paid will be refunded if:

- your application is wholly or partly unsuccessful;
- this series of retail bonds is over-subscribed and as a result you are not allocated all of the bonds you have applied for;
- at any time on or before the issue date, HKSAR Government imposes a maximum principal application amount per investor for this series of retail bonds in order to prevent an over-concentration of holdings in retail bonds by a single investor and your application is for a principal amount of retail bonds which exceeds that maximum principal application amount; and/or
- at any time on or before the issue date, HKSAR Government cancels all or a portion of the offering of this series of retail bonds.

If you apply for retail bonds through a placing bank, your placing bank agrees to transfer the corresponding amount of any such refund to your designated bank account with that placing bank within five business days of the issue date.

If you apply for retail bonds through HKSCC directly, HKSCC agrees to refund to you the corresponding amount of any such refund on or before the issue date.

If you apply for retail bonds through a securities broker, HKSCC agrees to refund to your securities broker the corresponding amount of any such refund on or before the issue date. You will have to rely on your securities broker to pass on such refund to you in a timely manner. You should consult your securities broker for the details of whether or not, and if so how, it will refund to you any application moneys and/or brokerage or other fee in any of the circumstances listed above.

Please note that HKSAR Government has decided not to issue any of the retail bonds of this series to any market makers. As a result, they will not be able to quote prices at which they are willing to sell retail bonds of this series (offer prices) unless they hold retail bonds through purchases in the market.

HOW IS INTEREST ALLOCATED ON A SECONDARY MARKET TRADE OF RETAIL BONDS?
